## Champion Barrell Racer

Upstate resident, Codi Baucom, is excelling as a professional barrel racer. At 27 years old, Codi has a bachelors degree in exercise and sports science from UNC-Chapel Hill and is also a certified and licensed horse massage therapist. She started barrel racing when she was 12 and started competing in rodeos when she was 20.

Codi and her horse, Naughty Go Getum, have had a successful few years together. When she started to rodeo she set out to win the Rookie awards. She did so well that she and "Naughty" won the event for the year in the SRA and IPRA rodeos.

In July she will be traveling to the Calgary Stampede in Alberta, Canada, but will be available for private lessons upon her return. Codi will also be hosting barrel racing clinics here in the upstate. She can be reached by email at [jcbaucom@yahoo.com](mailto:jcbaucom@yahoo.com).
